RAISE YOUR VOICE FOR LGBTQ HEALTH

Participate in the 2022 Pennsylvania
LGBTQ Health Needs Assessment

Every person who takes the survey will help LGBTQ organizations develop programs that best serve our community.

Español: bit.ly/2022PANA_S

The Rainbow Rose Center is a part of a coalition of more than 30 LGBTQIA+ organizations across the state collecting data for the 2022 Pennsylvania LGBTQ Health Needs Assessment. This information will be used to support new and existing community-based programs designed to close gaps in service and address the unique health needs of our population.

We are asking you to take the time to raise your voice for LGBTQIA+ health and be entered in a raffle to win a gift card now at bit.ly/2022PANA. (Puedes participar en español aquí: bit.ly/2022PANA_S.) Every person who takes part in the survey will not only help community leaders and healthcare professionals learn more about how to promote the health and wellbeing of LGBTQIA+ people, but also empower our coalition to build a stronger network of LGBTQIA+ community supports across the state.

Our goal is to have 500 surveys completed in York County! This would double the number from last year and we know you can do it!

If you are one of our allies, please share this email with your friends and family who can fill out this survey. We appreciate your efforts to get this survey to as many people as possible.
